I want you to know about a local missions "World Changers-like" project one county over from where you live. Pastor of Bethel Baptist Church, Brian Henderson, in Fairfax, is leading this project. You can contact him at 803-645-0045. I recommend this! Read Brian's invitation.

"BRICK 2019 is a construction-based project. We welcome ages eleven and up to join us to Build Restoration in Christ's Kingdom. BRICK 2019 will take place in Allendale County, one of the poorest, most racially segregated counties in the state. We don't have to look far to see how poverty impacts everyday lives of those around us. There are a lot of unchurched people and there are desperate cries for hope all around. It is our goal to show the people hope! We desire to make a big impact in a short amount of time.

We want people to know that the hope and love of Christ is real. We want people to know that because we love Christ we love them too! This outreach opportunity will consist of construction work in local homes of need. We need your help! We need folks to come on mission to help us make an impact! The dates are July 21st through the 27th. We would love to have you, no matter your experience swinging a hammer or painting. We will find a way for you to serve. Thanks so much for considering our project and we look forward to seeing you in July! The cost will be \$250.00 per participant." Please join me in praying for this mission effort!

Darrell

It's a new year! Have you gotten used to writing "2019" on your checks yet? I'm still working on that! After moving to Hampton where Nueva Esperanza is being hosted by First Baptist Church, our leadership team met to plan our activities for 2019. The very first special activity we had planned for this year, a food sale to raise money for our youth, happened today (as I write this). It was a success beyond our expectations! As we look forward to what the Lord will do throughout the rest of the year, we are excited about the new opportunities for outreach and growth. Please pray for us as we plan and carry out all of those activities!

Among the various things I do is serving as a volunteer at Allendale Correctional Institution. One of the Hispanic Baptist inmates there has received permission to begin a Spanish-language Bible study (most likely on Tuesdays). My schedule doesn't permit me to be there twice a week, but his would be a great opportunity for someone who speaks Spanish to volunteer and support that group with their presence. If you are interested, please contact me or the chaplain's office at ACI. Finally, if you or your youth group is looking for a construction outreach mission opportunity close by, my friend Brian Henderson is heading up a project in Allendale County. Find more information go to [scbaptist.org](http://scbaptist.org) and search for BRICK.

As always, thank you for your prayers and support of ABC Regional Hispanic ministries.

Tony Hancock,  
Director of Hispanic Missions, ABC Regional Hispanic Ministries
