**WOULD YOU HELP?**

A few weeks ago I participated with Denmark First on a mission trip to Jenkins, KY. We worked with NAMB missionaries Lester and Bessie McPeck in the former coal-mining mountains of Kentucky. Both Lester and Bessie spoke at several of our churches in our most recent On Mission Celebration. The needs of their area are great in just average times. As I write this article, today I learned of another great setback in the area.

One of the few active coal mines just shut down. One thousand miners were laid off without unemployment benefits, and, also without their final paycheck. Bessie and Lester can minister to some of their needs with our help.

**How can we help? They need school supplies and sizes 4, 5 and 6 diapers. Would you help? Monetary donations can be sent to our office or to Denmark First Baptist Church. School supplies and diapers can be brought to Denmark First. The deadline for contributions is August 15. For more information contact Pastor Matt Thomas at 704-477-3721 or contact me.**

*In His Service, Darrell*

**Hispanic Ministry**

As I write this article, I have just returned from a week at SummerSalt with several young people from Nueva Esperanza. I was encouraged to see several hundred youth from around the state excited about Jesus. I was pleased to see three of our young men stand up when the invitation was given for a commitment to ministry. God has a future for his church, both Hispanic and Anglo. Please pray for these young men, that they may be able to discern what God is calling them to do now and that they may not be hindered in carrying out the call he has placed on their lives.

Every year, ABC Regional Hispanic Ministries invites churches to celebrate the second Sunday in August as a Day of Prayer for Hispanic Missions. Materials for this event are available from your associational office. This year, would you consider taking up an offering for the ministry of ABC in your church, Sunday school class or other small group? Gifts can be sent to your association and designated for ABC.

As always, thank you for your prayers and support of ABC Regional Hispanic Ministries.
