Dear BBBA Friends,

I am excited to inform you that in September at least four from our association, along with a brother from another local association, will travel to Brasil as part of our partnership project along the Trombetas River. We have partnered with IMB missionaries, a Tennessee church, and Brazilian Baptists in an effort to see churches planted among the Quilombola people as well as among other villages and peoples in the Trombetas River region of the Amazon. Our first "mission trip" as a part of this partnership will take place in September. Three of us will travel during the first week of September to help with the first leadership training in what will be a three-year, nine module training of pastors and lay leaders to include church planters and evangelists. These Brazilian believers include some who are already trying to plant churches in this area as well as some who are preparing to go as missionaries into new communities of this river system. The first training is scheduled for Monday, September 9-Friday, September 13.

At least two others from our area will join us late in that second week of September. From Saturday, September 14--Wednesday, September 18, we will divide our group and travel to at least three communities in this region and work alongside the leaders we will be training.

I want to thank all of those who have already been praying as well as those who have already committed to help fund some of this work to include digging as least one well for the training camp we are refurbishing. I would ask ALL BBBA CHURCHES to pray for this work including specific prayers for the five of us who are planning on traveling in September. To those who have asked about helping financially, as an association we are set up to receive gifts toward this Trombetas project.

Should you have any questions about this trip or project, or should you want someone to come speak to your church contact me at 803-709-0165. Thank you for your prayers as we seek to see people and communities impacted with the gospel, churches planted and God glorified.

Ken Frederick ([ken.frederick@yahoo.com](mailto:ken.frederick@yahoo.com))

The apostle Paul declared confidently, "I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes..."(Romans 1:16 NIV) The power of the Gospel is at the heart of everything we do as a ministry to Hispanics. Our desire is to see the Gospel transform the lives of many Spanish-speaking folks, so that they are inspired to share the Gospel with those around them. Over the years, we have seen a good number of lives transformed by the Gospel. One woman was so encouraged when she understood the Gospel that she called her sister immediately to tell her about it. After he received the Gospel, a farm worker asked us for materials to take back to his country in order to share the Gospel with others there. Would you join me in praying that many more lives would be transformed by the power of the Gospel, as we faithfully share and proclaim the Good News of salvation through faith in Christ? Let me ask you: are you ashamed of the Gospel?

Tony Hancock, Director of Hispanic Ministries
